

**CLD WELCOMES NEW STAFF
FOR IMMEDIATE RELEASE
9 A.M. EDT, January 18, 2012**

Charles L. Gregory, P.E., joined CLD late in 2011 as a Senior Project Manager on the Highway Team. He comes to us from Whitman, Requardt & Associates in the Baltimore, MD area with over 16 years of transportation engineering and related transit, streetscape, intersection improvements, roundabouts and parking experience and holds a Masters in Transportation Engineering from West Virginia University.

Kelsey M. Gagnon joins CLD Municipal Team with a BS in Civil Engineering from the University of New Hampshire, where she also studied Geoenvironmental, Solid and Hazardous Waste Engineering and comes from a background working as an intern with the Army Corps of Engineers, Cold Regions Research and Engineering Laboratories in Hanover, NH.

Gregory Cantave joins CLD's team as a Project Engineer on our Highway Team. Greg comes to us with some experience as a Roadway Engineer in several local engineering firms and is a graduate of Wentworth Institute of Technology with a Bachelor of Science in Civil Engineering.

Justin Smith E.I.T. joins the Highway team at CLD's Manchester Office after an internship with Appledore Marine Engineering in Portsmouth, NH. Justin graduated from the University of New Hampshire in 2011 with a B.S. in Civil Engineering and brings fresh experience with AutoCAD, Civil 3D, and ArcGIS.

About CLD Consulting Engineers, Inc.
